Hi, CJ and Steve. I wanted to let you know that Region 10 received Oregon's proposed 2012 303(d) biennial submission a week or so ago. Although the Region has not completed its review of what was submitted, it is known that it is not a complete submission as required by our regulations, so we will be disapproving it. **Attorney Client / Deliberative Process / Ex. 5**

**Attorney Client / Deliberative Process / Ex. 5**

**Attorney Client / Deliberative Process / Ex. 5** We likely will make our approve/disapprove decision close to the 30-day regulatory deadline, but **Attorney Client / Deliberative Process / Ex. 5** I don't know that we have **Attorney Client / Deliberative Process / Ex. 5**

Steve: Chris and Ruth and Heidi are aware of Oregon's submission and the Region's next steps.

**Attorney Client / Deliberative Process / Ex. 5**

I just wanted you to know that this regulatory process has started. Not sure it means anything right now for our current lawsuit. Let me know if you think it does.

Have a Happy Thanksgiving.
